Re.: Change of Address Notice for Patent Applicant.

Dear sir,

Effective 26 September 2006, I have moved and my "new" address is that as given above (2211 West Mulberry St., #100, Ft. Collins, CO 80521; the old address was 6130 Rain Dance Trail, Littleton, Co 80125). Please send any correspondence regarding my patent application (App. No.: 10/626,987) to the "new" address. If would not mind (as things have been very "unsettled" lately), if any correspondence has been sent within the last three - four months, please forward a copy to the new address.

Regards,

Steve Taylor
